## *General Information*

**OUR NURSERIES** at Sparta, Ky., comprise over 100 acres, eight miles from the Ohio River, on the L. & N. Railroad, between Cincinnati and Louisville. Willadean's soil and climatic conditions are unexcelled for the production of the highest grade of nursery stock of wide variety, in ornamentals, both evergreen and deciduous, trees and shrubs.

**WILLADEAN** enjoys the good-will of a host of old friends throughout the country, and we have the pleasure of adding new friends each season.

**PRICES** listed are for Spring, 1931, delivery.

**OUR TERMS** are the usual ones to old customers, and to those supplying satisfactory references, with 2 per cent discount if paid 10 days from date of invoice. On overdue accounts, 7 per cent will be charged. Fall accounts due December 1, and spring accounts June 1.

**BOXING AND PACKING** are free on orders accompanied by cash. Otherwise a charge is made at cost of material and labor.

**SMALL QUANTITY** lots of stock, many of them of unusual varieties, have not been included in this list. We would, therefore, be very glad to have your inquiries for other stock.

## EVERGREEN TREES

All Evergreens have been twice or more transplanted to nursery rows, and are carefully dug, with a ball of earth, and burlaped. Our soil is unsurpassed for balling—heavy, fertile tobacco land, containing no sand or gravel.
